Complaints Procedure

Introduction

Ruthin School has long prided itself on the quality of the teaching and pastoral care provided to its pupils. However, if parents do have a complaint, they can expect it to be treated by the School with care and in accordance with this Complaints Procedure. Ruthin School makes its Complaints Procedure available to all parents of pupils and of prospective pupils on the School's website and Ruthin School will ensure that parents of pupils and of prospective pupils who request it are made aware that this document is published or available and of the form in which it is published or available.

In accordance with Section 7 of the Independent School Standards (Wales) Regulations 2003, Ruthin School will make available to parents of pupils and of prospective pupils and provide, on request, to the Chief Inspector, the Secretary of State or an independent inspectorate, details of the complaints procedure and the number of complaints registered under the formal procedure during the preceding school year.

What Constitutes a Complaint?

A complaint is an expression of dissatisfaction with a real or perceived problem. It may be made about the School as a whole, about a specific department or about an individual member of staff, and any matter about which a parent is unhappy and seeks action by the School is within the scope of this procedure. A complaint is likely to arise if a parent believes that the School has done something wrong, failed to do something that it should have done or has acted unfairly.

Parents can be assured that all concerns and complaints will be treated seriously and confidentially. The School is here for your child and you can be assured that your child will not be penalised for a complaint that you or your child raises in good faith.

The three-stage Complaints Procedure

Stage 1 – Informal Resolution

- It is hoped that most complaints and concerns will be resolved quickly and informally.
- If parents have a complaint they should normally contact their son/daughter's tutor. In many cases, the matter will be resolved straightaway by this means to the parents' satisfaction. If the tutor cannot resolve the matter alone it may be necessary for him/her to consult a more senior colleague.
- Complaints made directly to a Head of Faculty, Deputy Headmaster, Assistant Deputy Headmaster or Headmaster will usually be referred to the relevant tutor unless it is deemed appropriate for the more senior member of staff to deal with the matter personally.
- The tutor will make a written record of all concerns and complaints and the date on which they were received. Should the matter not be resolved within 5 working days or in the event that the tutor and the parent fail to reach a satisfactory resolution then parents will be advised to proceed with their complaint in accordance with stage 2 of this Complaints Procedure.
- If, however, the complaint is against the Headmaster, parents should make their complaint directly to the Chairman of the Council of Management.

Stage 2 – Formal Resolution

- If the complaint cannot be resolved on an informal basis then the parents should put their complaint in writing to the Headmaster. The Headmaster will decide, after considering the complaint, the appropriate course of action to take.
- In most cases, the Headmaster will meet or speak to the parents concerned, within 5 working days of receiving the complaint, to discuss the matter. If possible, a resolution will be reached at this stage.
- It may be necessary for the Headmaster to carry out further investigations.
- The Headmaster will keep written records of all meetings and interviews held in relation to the complaint.
- Once the Headmaster is satisfied that, so far as is practicable, all of the relevant facts have been established, a decision will be made and parents will be informed of this decision in writing. The Headmaster will also give reasons for his decision.
- If the complaint is against the Headmaster, the Chairman of the Council of Management will call for a full report from the Headmaster and for all the relevant documents. The Chairman may also call for a briefing from members of staff, and will in most cases, speak to or meet with the parents to discuss the matter further. Once the Chairman is satisfied that, so far as is practicable, all of the relevant facts have been established, the parents will be informed of the decision in writing. The Chairman will give reasons for the decision.
- If parents are still not satisfied with the decision, they should proceed to Stage 3 of this procedure.

Stage 3 – Panel Hearing

- If parents seek to invoke Stage 3 (following a failure to reach an earlier resolution) they will be referred to the Chairman of the Council of Management who has been appointed by the Council of Management to call hearings of the Complaints Panel.
- The matter will then be referred to the Complaints Panel for consideration. The Panel will consist of three persons not directly involved in the matters detailed in the complaint and one of whom shall be independent of the management and running of the School. The Chairman, on behalf of the Panel, will then acknowledge the complaint and schedule a hearing to take place within 10 working days.
- If the Panel deems it necessary, it may require that further particulars of the complaint or any related matter be supplied in advance of the hearing. Copies of such particulars shall be supplied to all parties not later than 5 working days prior to the hearing.
- The parents may attend the hearing and be accompanied to the hearing by one other person if they wish. This may be a relative, teacher or friend. Legal representation will not normally be appropriate.
- If possible, the Panel will resolve the parents' complaint without the need for further investigation. Where further investigation is required, the Panel will decide how it should be carried out.
- After due consideration of all facts they consider relevant, the Panel will make findings and may make recommendations.
- The Panel will write to the parents informing them of its decision and the reasons for it, within 5 working days of the hearing (although additional time may be required if it is necessary to carry out further investigations following the hearing). The decision of the Panel will be final. A copy of the Panel's findings and recommendations (if any) will be sent by electronic mail or otherwise given to the parents, and, where relevant, the person complained about as well as the Chairman of the Council of Management and the Headmaster.

Timeframe for Dealing with Complaints

All complaints will be handled seriously and sensitively. They will be acknowledged within 5 working days if received during term time and as soon as practicable during holiday periods.

It is in everyone's interest to resolve a complaint as speedily as possible: the School's target is to complete the first two stages of the procedure within 20 working days. Stage 3, the Appeal Panel Hearing, will be completed within a further 20 working days.

Please note that, for the purposes of this procedure, working days refers to weekdays (Monday to Friday) during term time, excluding bank holidays.

Recording Complaints

Following resolution of a complaint, the School will keep a written record of all formal complaints, whether they are resolved at the informal stage, the formal stage or proceed to a panel hearing and any action taken by the School as a result of the complaint (regardless of whether the complaint is upheld). At the School's discretion, additional records may be kept which may contain the following information:

- Date when the issue was raised
- Name of parent
- Name of pupil
- Description of the issue
- Records of all the investigations (if appropriate)
- Witness statements (if appropriate)
- Name of member (s) of staff handling the issue at each stage
- Copies of all correspondence on the issue (including emails and records of phone conversations)

Correspondence, statements and records relating to individual complaints will be kept confidential except where the Secretary of State or a body conducting an inspection requests access to them.
